Re: MII, Inc. – RRG/Clayton  
Chemical Site  
Our File #2003-05D

Dear Mr. Turner:

Linda Nachowicz' letter of September 27, 2005 addressed to Mr. Elvin Schmidt, President of MII, Inc., has been forwarded to me as counsel.

This is to advise that we are currently working with Sharon Newlon of Dickinson Wright PLLC relative to participating in the RRG/Clayton Chemical Site agreement.

The first information that we received relative to the possible involvement of MII, Inc. in the situation was by communication dated July 22, 2005 from the firm of Dickinson Wright PLLC.

We have been in contact with them and are waiting for their research data as to the involvement of MII, Inc.

I talked with a representative of the firm again on October 11, 2005 and was advised by an assistant of Sharon Newlon that additional information will be forwarded to us no later than today. Upon receipt, I will be in contact with you personally to advise as to the position of MII, Inc. relative to this matter.

Respectfully,

Paul E. Presney, Sr.
